

Clergy Grief Support Group

Are you a clergy person who has been “let go” from a church or from a spiritual leadership position?

Have you recently retired as a pastor/chaplain?

Are you a clergy person who has experienced a personal loss?

Disenfranchised Grief

When a person experiences a loss that is not or cannot be openly, publicly mourned, or socially supported.

When clergy experience this type of grief and do not get the support they need, it can cause a longer grieving process and could evolve into a more serious form of complicated grief.

Next course starts:

**Tuesday
March 5
2024**

Izumi-Wellspring Center provides a **safe and confidential place** where clergy can:

- Express their grief
- Receive spiritual and emotional support
- Learn about the disenfranchised grief process
- Learn how to cope as they move through a time of transition
